The group

One institution, global horizons.

Lincoln Education Services is an education group based in Karachi, Pakistan. Through its specialist divisions, Lincoln International Foundation and Lincoln Law, the group brings internationally accredited professional, pre-university and legal qualifications to Pakistani students in a modern, professional learning environment.

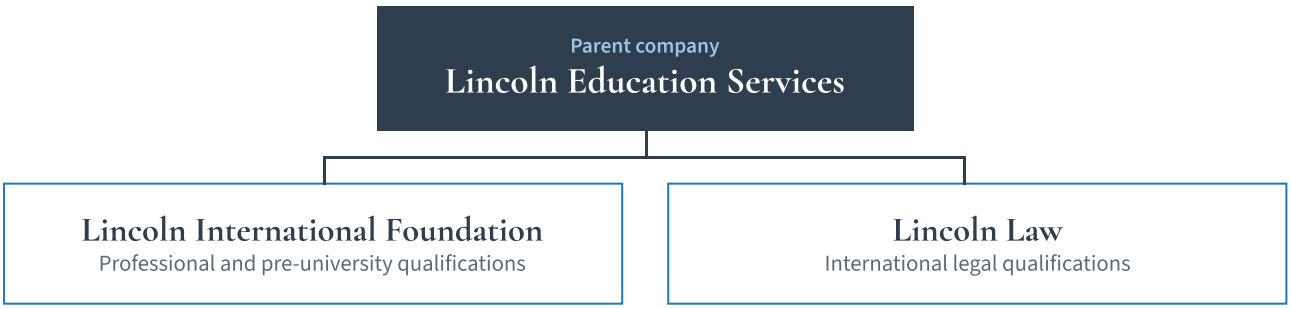
We exist to close the distance between local talent and global opportunity, giving students the credentials, skills and confidence to pursue higher studies abroad, qualify with world-leading professional bodies, and build careers that reach beyond borders.

Our vision

To become a fully integrated institution offering globally recognised programmes that empower students in Pakistan to pursue higher studies, access international opportunities, and work without borders.

Our mission

To deliver premium-quality education within a professional environment, equipping students with the qualifications, skills and confidence to compete and succeed on the global stage.



Legal standing

Lincoln Education Services (Private) Limited is a private company limited by shares, incorporated in Pakistan under the Companies Act, 2017 and regulated by the Securities and Exchange Commission of Pakistan (SECP), Corporate Universal Identification No. 0307017. Registered in Sindh, with its campus at the National Aerospace Science & Technology Park (NASTP), Shahrah-e-Faisal, Karachi.
